TRY KARATE THIS SPRING

CONFIDENCE

Karate builds confidence both mentally and physically. From performing in front of your peers in class or simply memorizing series of movements, karate makes you stronger from the inside out.

FITNESS

Karate is a great way for the little ones to burn some of that extra energy and it's a great way to learn control of their bodies. Karate tones muscles through the stances and techniques we practice, but it is also a really great cardio workout.

A FUN TIME!

So many of our students stay in our program for years and develop new and often life-long friendships. Karate is practiced as a group which makes class fun, and we incorporate partner drills and games for our little ones.

Classes for ages 4-7 yrs., 8-14 yrs., and 15 yrs. - Adult.
