**September 25<sup>th</sup> (following drawing):** Winners can pick up baskets at Huntley Fall Fest

#### How

Starting now, teams can start building their themed gift basket. Teams must decide on their theme (see baskets on opposite side from previous years as examples) and then determine the method they want to use to build their basket.

There are two popular methods for building a basket. Each method involves choosing someone to be the basket coordinator for the team. The first method is that each team family is assigned one item to get for the basket. They are responsible for getting these items to the basket coordinator so that the basket can be put together. The other method is that the coordinator works with the team to put together a list of items, collects a set amount from each family, then goes out and gets the items and puts the basket together. **Prize baskets should include a typed list that shows the basket theme, head coach, team color, division, and list of basket contents.**

During Fall Fest we will be selling raffle tickets at a cost of 1 for \$1, 6 for \$5, 15 for \$10 or 40 for \$20.

Purchasers will then take their tickets and be able to choose which basket(s) to enter to win by placing the entry stub of their ticket in the entry bag in front of the basket(s). Baskets will be on display at the Huntley Park District starting September 21<sup>st</sup> and then moved to the Huntley Park District booth at Fall Fest on September 25<sup>th</sup>. Winners will be drawn on Sunday afternoon for each basket and will be able to pick them up from the time the drawing is complete through 5:00 PM. Those that are not present for the drawing or wo can't pick up by 5:00 PM Sunday will be able to pick them up at the REC Center during normal business hours starting on Monday, September 28<sup>th</sup> at 12:00 Noon.

## **Why**

All proceeds from this fundraiser will be used to purchase items for the Huntley Park District Sports Program, and in particular, the Tomaso Sports Park and Warrington Park Fields, as well as supporting our athletic program financial assistance fund through the Huntley Park Foundation. Funds from last year's event were used to purchase the new "PUGG" goals for Kiddie and Jr. Soccer.

**There will also be prizes for the Top 5 teams whose baskets raise the most money!** This will be determined by counting the tickets entered for each particular basket. The top 5 teams will earn a free end of the season pizza party, including party room, pizza, drinks, and dessert, plus 1 hour of gym time at the REC Center.
