WHO ARE THE RESIDENTS OF HUNTLEY PARK DISTRICT?

You are a resident of the Huntley Park District if you pay taxes to the district and reside in our boundaries. A utility bill will constitute proof of residency.

IMPORTANCE OF REGISTERING EARLY

The Huntley Park District staff must set registration deadlines for a variety of programs. Registration deadlines are created due to the time frame it takes for staff to organize, order equipment, form rosters, and create schedules. Popular programs do fill up quickly and space is limited. For programs that do not state a registration deadline, please realize for all programs to run efficiently, registration must take place one week prior to the beginning of the first class/program date. If a patron registers after the deadline or the program is filled prior to the deadline, they will be put onto a waiting list. Being enrolled on a wait list does not guarantee eventual enrollment. Wait lists are taken up until one week before the program begins. Please make an effort to register early.

FACILITY RENTAL

The Huntley Park District has picnic shelters and rooms available for rent. Please call 847-669-3180 ext. 301 and speak with the Facility Manager for more information.

PHOTOS/VIDEO

Photos are periodically taken of participants in class, special events and at Huntley Park District's parks and facilities. Please be aware that these photos are for Huntley Park District use only and may be used in the District's publications, website and marketing.

LOST ITEMS

Personal items brought to the Huntley Park District are the responsibility of the individual. If something becomes lost, please check with the registration desk staff.

CONDUCT/PARTICIPANT GUIDELINES

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities.

DISCIPLINE

The Huntley Park District will use a positive approach regarding discipline. The Huntley Park District reserves the right to dismiss a participant. Each situation will be evaluated on its own merit.

The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions.

We use positive statements and reinforcements to redirect negative behavior.

Should a child need more than that, a "time-out" period may be initiated.

We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. A memo will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child will be dismissed from the class/program; a refund will be issued for the remaining class days. Each situation will be evaluated on its own merit.

Disruptive behavior is defined as any behavior that causes, or could lead to, personal injury of your child or others. Examples: hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal class climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

ATVS, SCOOTERS, BIKES & ALL MOTORIZED VEHICLES

The use of motorized vehicles in Huntley Park District parks is strictly prohibited.

No ATVs, dirt bikes or electric scooters are allowed in the Huntley Park District parks.

Please be aware that the use of such vehicles inside the parks will result in the police being notified and action taken.

These vehicles disrupt the community and cause damage to our parks.

We would like to keep our parks beautiful and peaceful and to maintain an atmosphere of relaxation for our guests. We appreciate your cooperation.

REFUND POLICY

All refunds must be requested by completing a refund request form. No requests will be accepted verbally. By completing a refund request form does not ensure that you will receive a refund. No refunds will be made after a program has started except in the case of participant's illness. A written documentation from a physician must accompany the refund request form. Refund may be pro-rated if approved. There will be a \$10 administration fee per activity that a refund is requested on forms submitted prior to the program start date.

Letters to Santa

We have special Elves at the Huntley Park District, and they know how to get in touch with Santa! They come into the REC Center when no-one is here, checks the special mailbox and get the letters to Santa. Once Santa has written his replies, the Elves returns Santa's letters to the REC Center and we mail them out to him. The Elves will be busy collecting letters until December 16 so don't wait too long. Sorry but Santa likes to keep his letters that he receives.

Youth Sports Request Policy

There are two types of requests that will be accepted during registration for a Huntley Park District recreational youth sports league.

Friendship requests can be completed at the time you register your child, provided it is before the published registration deadline for the league. When registering your child for a league that allows this type of request, you should be prompted to provide the name of one, and only one, friend that you would like to have your child placed on the same team with. In order for this request to be guaranteed to be honored, that friend must also list your child as their one, and only one request when they complete their registration, and both requests must be completed before the registration deadline. Any requests that are not matched or involve more than two total players (except in cases where siblings are involved) will not be honored. Head and assistant coaches that would like to coach together must use the one allowed friendship request to guarantee that coaching pairing. Coaches will not be allowed to have separate coaching pair and friend requests honored.

We will also honor any request completed at the time of registration to NOT have a specific coach.

Any other requests such as to have a specific coach or regarding specific practice nights cannot be guaranteed due to the large size of the leagues and the number of variables in scheduling that are not known until registration has been completed.

Sports

HPD Pickleball Club

Join us for some fun and get some exercise playing a paddle game indoors at the REC Center. Now you and your friends can join many other people who are playing this net court game. This mini-tennis game is played by 2 or 4 people on a badminton-sized court using paddle racquets and a plastic, poly baseball with holes. Pickleball is a combination of Ping-Pong, tennis, and badminton and has been enjoyed for over 25 years by people of all ages.

We offer specific court designation times for beginning and advanced play. The courts on the south side of the gym curtain will be designated for beginning players on Thursday afternoons and for advanced players on Friday afternoons. All other courts and times will continue on as open drop-in play. Players are responsible for self-classification as to whether they are a beginning, intermediate, or advanced level player. If six or fewer players at the designated level are present at the start time on these days, only one court will be designated to that specific level.

In addition to this general open play program, members of this club can add on our competitive open play times or ladder league play.

Pickleball Ladder League

This add-on to the HPD Pickleball Club program is designed for players who are looking for more competitive play. It will take place on Mondays & Wednesdays from 11:00am-1:00pm. **This will be an “add-on” so you must be enrolled in the regular Pickleball Club quarterly program to add these competitive play options.** The fee will be for the entire 3 month session.

The **Ladder League** is for those looking to play in an organized competitive environment each week.

Due to the structure of the ladder league, we must have the enrolled total equal a multiple of 4. To begin with we are setting up the first league for an initial 8 players. After 8 are registered we will start a waiting list and once that waiting list reaches 4, we will add in that next set of four. The process will continue until our total capacity of 24 players in the current ladder league session has been filled. Registration for all ladder leagues will be one on a “first come-first paid” basis. Registration will be cutoff one week prior to the start of each ladder league session.

We will also offer the option for players to register as Ladder League substitutes. This will be the pool of players utilized to substitute as needed for the ladder league when a normal player is unable to attend. If the ladder league does not fill to capacity, the Ladder League substitutes will also be able to use any open courts for open play during the ladder league time.

Players should only register for one of the two options below for each session.
