

Pinecrest Golf Club, located in Huntley, is one of the fastest growing communities in the northwest Chicago area. Built in 1972, Pinecrest has blossomed into one of the premier Park District owned golf courses in the area. The course has undergone a few changes in the last 20 years, one of which was the Huntley Park District taking ownership in 2003 and constructing a magnificent clubhouse in 2008. There are 63 sand bunkers, five lakes, and many beautiful trees that help challenge all levels of ability, and provide a beautiful setting for golf. Our greens are rapidly becoming known as some of the best in the state, and we take pride in the fact that we offer private club conditions at a public golf course. We also feature an all grass practice range, with three target greens, a practice/chipping area, and a practice putting green. Pinecrest is the perfect course for all occasions, from a relaxing family get together to a company shotgun event.
