

Huntley Swinging Into Summer Tournament Rules

Revised 6/08/17

NAFA Qualifier Event

Any rule not covered by these rules will be covered by NAFA Fastpitch Rules, 25th Edition.

1. LENGTH OF GAMES

Pool Play – 80 minute drop dead limit. Scores DO NOT revert to previous inning, and games can end in a tie during pool play. Bracket Play - No new inning shall start after 75 minutes from the start of the game with the exception of the Championship Game. The Championship Game will have no time limit. Note: An inning is considered to be started as soon as the last out of the previous inning has been made. The umpire will start the game timer as soon as the pre-game conference ends and the home team is allowed to take the field.

2. SLAUGHTER RULE

12 runs after 3 complete innings, 10 runs after 4 complete innings, and 8 runs after 5 complete innings will constitute a win for the leading team.

3. HOME TEAM

Home team will be determined by coin toss at pre-game meeting in pool play. In Bracket play, home team will be higher seed & use 3rd base dugout. Home team will be responsible for keeping the official scorebook and should verify score with visiting team and umpire at the end of each ½ inning. Away team should be prepared to provide a volunteer scoreboard operator for fields that have a scoreboard.

4. PRE-GAME MEETING

5 minutes prior to scheduled game time, the Manager/Head Coach must meet with the umpire to discuss the game rules/exchange lineups. No warm up balls allowed between innings.

5. GAME TIME

Teams must be ready to play 30 minutes early. (Game Time is Forfeit time unless team is involved in another tournament game). No practice infield will be allowed on the diamonds prior to any and all games. All game times may be subject to change due to inclement weather. In case of inclement weather, information will be posted as it becomes available at the following:

- c. HPDSports on Twitter
- d. 847-669-3180 ext. 411

6. TIEBREAKER-Bracket Play ONLY (Pool Play games can end in a tie)

In the event of a tie after 7 innings or time limit, the International Tie Breaker Rules will be in effect.

7. BATTING ORDER/SUBSTITUTION

Teams may bat entire roster in Pool Play Games, and allow for free substitution. If a player becomes sick/injured and cannot bat in the lineup when designated, her spot will be skipped with no out recorded. However, this same player will be removed from the entirety of that particular game. Bracket play will be standard NAFA rules.

8. BAT POLICY

ALL bats must have the ASA Year Included Certification Mark and must not be listed on the ASA Non-Approved Bat List. It is "**highly recommended**" to have ALL bats checked in the dugout prior to the game and any illegal bats should be removed from the dugout area. Each player will show the umpire the Certification Mark PRIOR to entering the batter's box. Bats will continue to be checked for each batter at each bat, throughout the game so players please speed up the process by having the mark easily visible for the umpire. Also, bats will not be confiscated but non-legal or illegal bats should be removed from the dugout.

Bat Penalty

A batter shall be called out when prior to the next pitch (legal or illegal), the batter was discovered having hit the ball with an illegal bat or non-approved bat. Any runner not put out must return to the base occupied at the time of the pitch. Any runners put out prior to the discovery shall remain OUT. First offense is also a team warning. Subsequent offenses the player is restricted to the dugout and the manager/coach ejected.

9. COURTESY RUNNER

Courtesy runner for pitcher and catcher may be used at any time per NAFA rules, The courtesy runner will be a substitute off the bench not in the game unless team is using all batters in the lineup, in which case it shall be the last batted out that is not the pitcher or catcher. Remember pool play allows for all batters to be placed in one continuous line up and the NAFA rules for bracket play allow up to two EPs in the lineup for a total maximum batting order of 11.

10. SEEDINGS

Seedings for bracket play will be determined by:

- a). Best record
- b). Head to head
- c). Total Runs allowed
- d). Total Run Differential (max 12 runs per game)
- e). Record against Common Opponents
- f). Strength of Schedule (combined winning percentage of all opponents)
- g). Coin flip / Blind Draw

Note: In pool play where it is necessary to have one team play an additional pool game, a random draw done just prior to seeding will be conducted to determine which game result is removed for that team. Drawing will take place at tournament headquarters approximately 15 minutes after that team's final scheduled pool game.

11. AUTHORITY OF UMPIRE

The umpire has the authority to ask any player, parent, coach, manager, or fan to leave the premises if there is excessive harassment during the game. The umpire has the authority to stop play until said person has left the premises. If they do not leave the umpire can declare a forfeit for the team that is involved. If both teams are involved, it will result in a double forfeiture. If a player or Coach is ejected, she/he will sit out the next Tournament game as well.

12. PROTESTS

Rules interpretations and age will be the only form of protests excepted. In the event of a rules interpretation protest, there will be a \$100 cash protest fee and tournament official and UIC will rule on protest and make final decision.
