**OOPS!** The Park District staff has made every effort to prepare the program guide as accurately as possible. However, errors can occur. Circumstances may require that adjustments be made to programs, fees, schedules, instructors, etc. The Park District reserves the right to make any adjustments. The park District apologizes for an inconvenience these error or adjustments may cause.

### **WHO ARE THE RESIDENTS OF HUNTLEY PARK DISTRICT?**

You are a resident of the Huntley Park District if you pay taxes to the district and reside in our boundaries. A utility bill will constitute proof of residency.

### **IMPORTANCE OF REGISTERING EARLY**

The Huntley Park District staff must set registration deadlines for a variety of programs. Registration deadlines are created due to the time frame it takes for staff to organize, order equipment, form rosters, and create schedules. Popular programs do fill up quickly and space is limited. For programs that do not state a registration deadline, please realize for all programs to run efficiently, registration must take place one week prior to the beginning of the first class/program date. If a patron registers after the deadline or the program is filled prior to the deadline, they will be put onto a waiting list. Being enrolled on a wait list does not guarantee eventual enrollment. Wait lists are taken up until one week before the program begins. Please make an effort to register early.

### **FACILITY RENTAL**

The Huntley Park District has picnic shelters and rooms available for rent. Please call 847-669-3180 ext. 301 and speak with the Facility Manager for more information.

### **PHOTOS/VIDEO**

Photos are periodically taken of participants in class, special events and at Huntley Park District's parks and facilities. Please be aware that these photos are for Huntley Park District use only and may be used in the District's publications, website and marketing.

### **LOST ITEMS**

Personal items brought to the Huntley Park District are the responsibility of the individual. If something becomes lost, please check with the registration desk staff.

### **CONDUCT/PARTICIPANT GUIDELINES**

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities.

### **DISCIPLINE**

The Huntley Park District will use a positive approach regarding discipline. The Huntley Park District reserves the right to dismiss a participant. Each situation will be evaluated on its own merit.

The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions.

We use positive statements and reinforcements to redirect negative behavior.

Should a child need more than that, a "time-out" period may be initiated.

We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. A memo will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child will be dismissed from the class/program; a refund will be issued for the remaining class days. Each situation will be evaluated on its own merit.

Disruptive behavior is defined as any behavior that causes, or could lead to, personal injury of your child or others. Examples: hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal class climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

### **ATVS, SCOOTERS, BIKES & ALL MOTORIZED VEHICLES**

The use of motorized vehicles in Huntley Park District parks is strictly prohibited.

No ATVs, dirt bikes or electric scooters are allowed in the Huntley Park District parks.

Please be aware that the use of such vehicles inside the parks will result in the police being notified and action taken.

These vehicles disrupt the community and cause damage to our parks.

We would like to keep our parks beautiful and peaceful and to maintain an atmosphere of relaxation for our guests. We appreciate your cooperation.

### **REFUND POLICY**

All refunds must be requested by completing a refund request form. No requests will be accepted verbally. By completing a refund request form does not ensure that you will receive a refund. No refunds will be made after a program has started except in the case of participant's illness. A written documentation from a physician must accompany the refund request form. Refund may be pro-rated if approved. There will be a \$10 administration fee per activity that a refund is requested on forms submitted prior to the program start date.

## 2017 FALL FEST BASKET RAFFLE

Once again our fall sports teams did an outstanding job putting together themed gift baskets for our 9th annual Fall Fest Basket Raffle. With the community's support, we were fortunate to have raised \$2,858 - \$28,000 raised over the past 9 years. The money is deposited through the Huntley Parks Foundation and provides funding for our financial assistance fund for our recreational sports programs as well as funding minor improvements to our sports facilities.

Special congratulations to our top five baskets as determined by the number of tickets entered into their basket drawing. These teams all earned an end of the season pizza party for their great basket entries.

## Youth Sports Request Policy

There are two types of requests that will be accepted during registration for a Huntley Park District recreational youth sports league. **Friendship requests can be completed at the time you register your child, provided it is before the published registration deadline for the league.** When registering your child for a league that allows this type of request, you should be prompted to provide the name of one, and only one, friend that you would like to have your child placed on the same team with. **In order for this request to be guaranteed to be honored, that friend must also list your child as their one, and only one request when they complete their registration, and both requests must be completed before the registration deadline.** Any requests that are not matched or involve more than two total players (except in cases where siblings are involved) will not be honored. Head and assistant coaches that would like to coach together must use the one allowed friendship request to guarantee that coaching pairing. Coaches will not be allowed to have separate coaching pair and friend requests honored.

We will also honor any request completed at the time of registration to NOT have a specific coach.

Any other requests such as to have a specific coach or regarding specific practice nights cannot be guaranteed due to the large size of the leagues and the number of variables in scheduling that are not known until registration has been completed.

## HPD Pickleball Club

Join us for some fun and get some exercise playing a paddle game indoors at the REC Center. Now you and your friends can join many other people who are playing this net court game. This mini-tennis game is played by 2 or 4 people on a badminton-sized court using paddle racquets and a plastic, poly baseball with holes. Pickleball is a combination of Ping-Pong, tennis, and badminton and has been enjoyed for over 25 years by people of all ages.

We offer specific court designation times for beginning and advanced play. The courts on the south side of the gym curtain will be designated for beginning players on Thursday afternoons and for advanced players on Friday afternoons. All other courts and times will continue on as open drop-in play. Players are responsible for self-classification as to whether they are a beginning, intermediate, or advanced level player. If six or fewer players at the designated level are present at the start time on these days, only one court will be designated to that specific level. Please note courts may not be available due to additional programs or events. Please check with registration staff. No play 12/25, 1/1.

## SEEDLINGS PRESCHOOL

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings is geared to help children gain confidence through planned activities to enhance their social, emotional and cognitive development. Our developmentally designed curriculum encourages learning without stifling their ability to create and investigate.

Seven large classrooms are housed in the REC Center, each with its own child sized bathroom. To ensure your child's safety, the preschool wing is secure while class is being held.

Miss Connie's playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition an indoor play structure and equipment allows children to be active and release some energy.

## Ten Chimneys Tour and Lunch

**Yes, there are ten chimneys!** Broadway legends Lynn Fontanne and Alfred Lunt, named their Genesee Depot, Wisconsin, estate after the number of chimneys on the Main House, Cottage, and Studio combined. Those who visit, like guests of the Lunts, are welcomed into the Lunts' extraordinary home without the fuss of ropes or barriers. Ten Chimneys not only celebrate the one-of-a-kind collection the Lunts amassed during their lifetimes, but also honor the values found in every corner of the Lunts' lives, both on the stage and in the house they called home for more than half a century. Please note outdoor photography is permitted; however, no photography of any kind is allowed inside the historic buildings. There is outdoor walking on uneven terrain and indoor stairs. There is a gift shop to browse as well.

After the tour we will enjoy a late lunch at approximately 1:15pm at Delafield Brewhaus. When registering please choose from of the following menu items: **Wisconsin Fish Fry** – amber battered Icelandic Cod, coleslaw, French fries and bread; **Soup and Salad** - cup of New England Clam Chowder paired with strawberry chicken salad topped with cucumber and poppy seed dressing; **BBQ Pork Sandwich** – slow roasted pork simmered in tangy Brewhaus BBQ sauce piled high on a toasted ciabatta bolo with French fries. ## Thor Guard Lightning Prediction System and Warning System

Thor Guard is a lightening prediction system at Stingray Bay, Tomaso Sports Park, Public Works and Deicke Park that warns patrons and staff of potential lightning up to a 10 mile radius. When this system detects high energy it will emit a 15 second blast and strobe lights will begin to flash. All outdoor activities should cease and all persons should seek shelter in a permanent building or vehicle immediately. **DO NOT SEEK SHELTER WITHIN DUGOUTS, PICNIC PAVILIONS, OR NEAR TALL OBJECTS SUCH AS FENCES, TREES, ETC.** The strobe light on the system will continue to flash while there is potential for a lightning strike. Activities should not be resumed until the system has indicated the "all clear" with three – 5 second horn blasts and the strobe lights stop flashing.
