2009-2010 Seedlings Preschool Program "Come Grow With Us"

Seedlings Preschool is committed to providing a high quality, developmentally appropriate first learning experience in a safe and healthy environment.

Seedling Preschool Teachers create an atmosphere of trust, security and comfort in which the child can feel motivated, esteemed and appreciated.

Through play children have opportunities for self-expression, investigation and experimentation both independently and in a group. Our learning centers and activities provide an enriched and stimulating environment that meets the needs of the whole child focusing on the cognitive, social, emotional and physical development.

We offer an English/Spanish class for ages 3-5 on Monday, Wednesday and Friday mornings. Openings remain for the 2009-2010 school year for all classes. Please call 847-669-3180 x314.
