**(Ages Walkers to 20 months with Parent)**

Things that crawl and things that fly will mystify your tots this summer in Tot Rock! Join us while we sing, dance and learn about “Bugs, Birds and Beasts!” Together we will use rhythm instruments like bells and clackers, play with props like beanbags and balls, learn simple songs and rhymes, and delight in sensory items like bubbles and feathers. While improving your tot’s newly-acquired motor skills, this class provides structured and unstructured time. Visit [www.rockitkids.com](http://www.rockitkids.com) for more.

# Birthday Parties

Celebrate your child's birthday with the Huntley Park District! We'll be there to offer the most fun and memorable party you'll ever have.

Have your child and their friends take part in playing musical chairs, parachute games, or pin the tail on the donkey just to name a few. If you've got a more active child, a host will supervise and teach fun games

like capture the flag, dodgeball, knockout and more! Each party consists of 45 minutes of activity and 45 minutes of cake and presents. We provide the room, tables, chairs, decorations, and even clean up! All you need is the food and/or cake, the birthday child and up to 14 of their friends. A two week notice is required for booking a party. Parties are subject to room availability. For further information please contact Rick Ferraro at 847-669-3180 x313.
