American Red Cross GuardStart: Lifeguarding Tomorrow

(Ages 11 and up)

This is a program for youth that provides a foundation of aquatic and leadership knowledge, as well as attitudes and skill for future successful completion of the Red Cross Lifeguarding courses.

Prerequisites:

1. Swim the front crawl for 25 yards continuously while breathing to the front or side.
2. Tread water for 1 minute using arms and legs.
3. Submerge and swim a distance of 10 feet underwater.

Participants will learn about the causes and ways to prevent drowning and diving accidents. They will learn how to supervise others around water, and how to recognize when someone is in trouble. They will also gain knowledge of how to perform a self-rescue, how to assist others in trouble in the water, and how to provide basic-level first aid, CPR and AED. This is an excellent opportunity to develop leadership skills, including effective communication and making informed decisions. **Please note that this course will not provide lifeguard certification, but will assist in preparing for the Lifeguarding course.**

Huntley Stingrays Swim Team

The Stingrays are a summer team only. The team is for swimmers ages 5-18. Ages as of June 1, 2010. To be eligible to join, swimmers 8 years and younger should be able to swim one length of the pool (25 meters) without stopping or clinging to the walls or lane lines, using a freestyle stroke or they should have completed a Level 3 American Red Cross swim lesson. Swimmers 9 years and older should be able to swim two lengths of the pool (50 meters). Testing will be done and if the swimmer is unable to complete the requirements a full refund will be given. A refund request form will need to be completed for all refunds. The Stingrays compete in the North Central Illinois Swim Conference (NCISC). The season officially ends July 17 with the Conference Swim Meet. In order to run a successful swim team, it requires a strong parent commitment: i.e. help at home and away meets, active on the Parent Swim Committee—social, meets, spirit wear, etc.

Mission Statement

The Huntley Stingray program mission is to promote the life-long love of swimming for recreation and as a competitive sport. The team will help develop and improve your child's swimming technique, meet new friends, bring families together, improve cardiovascular endurance/body tone, develop self esteem, discipline, and positive self-image while also incorporating teamwork.

A parents and swimmers meeting will be held Thursday, May 6 and Tuesday, May 11 from 6:30-8:00 pm for all new families and 7:15-8:00pm for all experienced families. *Please attend one of the meetings.

Due to suit sizing, the registration deadline is May 1. If space is still available after the deadline, fees are \$10 higher per swimmer.

Practices will begin in late May and will be held in the evenings while District 158 is still in session. After that, practices will be held early mornings. Swimmers will begin the season in their respective age groups, and will later be placed in a practice group so that coaches can better challenge each swimmer. Practice groups will be determined at the first week of in-water practice and will be based on competitive times.

Anticipated practice schedule: Monday through Friday
 The Whiprays7:00-8:30 am
 The Manta Rays8:00-9:15 am
 The Butterfly Rays9:00-10:00 am

*Please note that we would like swimmers to attend a minimum 3 days of practices weekly. Meets are held on Tuesday evenings in Huntley and the surrounding area. The conference meet will be held on Saturday, July 17 in Rockford. Please plan on attending the conference meet. Additional meets may be scheduled.

Fees: \$180 resident, \$150 resident sibling \$270 non-resident, \$235 non-resident sibling Each swimmer receives a team shirt. There will be additional costs for suits (\$55 for girls, \$35 for boys) and optional spirit wear – hoodies, long-sleeve shirts, etc. that can be ordered at the beginning of the season.

Swim Lesson Information

Lottery Swim Lesson Registration for Residents

The Huntley Park District's Lottery Swim Lesson Registration process was developed to permit fair access to park district swim lessons for all our residents. By using a lottery system for program registration, you need not wait and stand in long lines to register. Lottery registration is fair for today's busy families, since you can drop it off any time before the initial deadline.

WHAT is lottery? The lottery is a computerized software-program that works with our current registration system. Once all lottery swim lesson registrations have been processed, the software program then randomly selects who will be registered for the class and who will be placed on a wait list. Each person's chances are the same as long as registrations are received before the lottery deadline. Remember to take advantage of the 2nd and 3rd choice options. Many lessons are in high demand and specifying alternate choices is the best way to avoid disappointment. Enrollment confirmations are then mailed to all households participating in the Lottery and should be received by May 14. Those placed on the wait list are then contacted by the Park District to make alternative arrangements.

WHO is eligible for Lottery swim lesson registrations? Residents of the Huntley Park District. A resident is anyone living within the geographic boundaries of the Huntley Park District. Registration is limited to only one lesson per child.

WHERE do you drop off Lottery swim lesson registrations?

Registration begins the day you receive your Huntley Park District Summer Brochure. Forms and payment will be accepted at the Huntley Park District REC Center Registration Office, 12015 Mill Street, Huntley, IL during office hours. Please check office hours on page 6 of the brochure. Lottery Swim Lesson Registration forms and payment will be accepted through Saturday, May 8, 2010, 2pm. **The only method of registration will be by walk-in at the registration office. Payment is required at the time of registration.**

WHEN is Lottery Swim Lesson Registration? Registration begins the day you receive your Huntley Park District 2010 Summer Brochure in the mail and lasts through the Resident Priority Registration Deadline of Saturday, May 8, 2010 at 2pm.

Non-residents or residents who miss the lottery may begin open registration on Wednesday, May 19, 2010 at 9am at the Huntley Park District REC Center, 12015 Mill Street, Huntley, IL. In-person registration only.

Lottery Refund Policy: In special cases when enrollment may be wait listed due to a full class, a credit in the amount of the payment will be issued to the household. If the household chooses not to use the credit, the office must be contacted before a refund check or credit to credit card can be processed. **NO REFUNDS OR CREDITS WILL BE GIVEN.**

Use swim lesson registration form on page 57 for processing.

Swim Lesson Information

The park district will follow the American Red Cross guidelines for all swim levels. Please review the description of the various levels to ensure a positive experience. Stingray Bay provides lessons based on skill level, not age. If your child participated in swim lessons at Stingray Bay in 2009, there are records of which levels he/she completed and whether or not he/she passed. Please note that each child will have different abilities and will learn at his/her own pace. The instructors and manager will do their best to accommodate each participant's skill level.

Any child not toilet trained **MUST** wear an aqua diaper at all times. Aqua diapers are reusable and available for purchase at Stingray Bay (\$6). "Little Swimmer's" are not acceptable.

Lessons are instructed in cool and windy weather and are only cancelled due to severe weather. The pool water is kept at 82 degrees, but may vary due to weather conditions. Make-ups will be held only if the park district cancels. No make-ups will be issued for sickness or vacations. If weather is questionable and you are unsure if lessons are being held, please call 847-515-7665 no sooner than 30 minutes before your lesson is scheduled. To avoid busy phone lines, an update will be available on the home page of the park district at www.huntleyparks.org.

Parents are asked to sit in the concession pavilion or in the grass behind the designated flags during your child's lesson. Like a school setting, children perform better when they are able to give full attention to their instructors.

Under no circumstances will parents and their siblings be able to wait on the pool deck. Parents are invited to the pool deck on the last day of lessons to take pictures and see what your child has learned.

Swim Lesson Levels

PARENT/TOT \$34/\$51

Child must be 6 months to enroll. Parents and children will work together on basic water skills. Parents will be taught different holding techniques while their child explores the water using basic arm and leg movements. Children will become familiar with submerging face into water, wearing a lifejacket, and entering and exiting the pool safely. The goal of this class is not designed to teach children to be able to survive in water alone; all skills are performed with support. Classes will mainly consist of singing songs and playing games to get your tot adjusted to the water.

TOTS \$34/\$51

Participants must be able to stand on their own to enroll. Participants will explore and learn basic water skills such as blowing bubbles, submerging face, and retrieving objects submerged in shallow water. They will learn to perform basic arm and leg movements independently, swim and float with support, become comfortable wearing a lifejacket, and learn to enter and exit the pools safely. The goal of this class is not designed to teach children to be able to survive in water alone; most skills are performed with support of the instructor. Participants will sing songs and play games to become more comfortable in the water.

LEVEL 1: INTRODUCTION TO WATER SKILLS \$34/\$51

Participants of this class will learn emerging stroke skills with support. They will strengthen arm and leg movements on their front and back, and learn to combine them with support. They will perform front and back floats and glides with support. Participants will learn to enter and exit the water independently, swim with a lifejacket, and retrieve a submerged object in shallow water.

LEVEL 2: FUNDAMENTAL AQUATIC SKILLS \$40/\$60

Participants must be able to submerge face to enroll. Participants will learn the basic techniques of front and back crawl. They will begin to swim unassisted in 3.5 feet water. Participants will learn to independently float and glide on their front and back, swim with a lifejacket, and retrieve a submerged object. They will learn to tread water and begin to explore deep water with support.

LEVEL 3: STROKE DEVELOPMENT \$40/\$60

Participants must be able to submerge entire head to enroll. Participants will begin to perfect their front and back crawl, and will learn correct rotary breathing for front crawl. They will begin to explore other strokes, such as elementary backstroke, breaststroke, and sidestroke. They will develop deep water skills such as treading and survival floating. Diving will be introduced in this level from a sitting and kneeling position.

LEVEL 4: STROKE IMPROVEMENT \$40/\$60

Participants must be able to swim independently and be comfortable in deep water to enroll. This class is mostly taught in the diving well. Participants will learn to perform open turns for front and back crawl for distance swimming, and will learn combined breaststroke, elementary backstroke, sidestroke, and butterfly. They will perfect rotary breathing for front crawl. They will learn to tread in deep water and dive from a standing position.

LEVEL 5: STROKE REFINEMENT \$40/\$60

Participants must be able to swim 25 yards (one pool length) of front and back crawl to enroll. Participants will begin to learn swim-team skills such as shallow dives and flip turns for front and back crawl. Strokes will be perfected in this class. Participants will learn to swim front and back stroke for 50 yards using correct turns. They will learn surface dives in deep water, how to swim/float in deep water for 2 minutes, and will be exposed to basic lifeguarding skills.

LEVEL 6: STROKE ENDURANCE \$40/\$60

Participants must be able to swim 50 yards (two pool lengths) of front and back crawl to enroll. Participants will learn to swim long distances of all strokes. They will learn to swim front and back crawl for 100 yards and breaststroke, butterfly, elementary backstroke, and sidestroke for 50 yards using appropriate turns. They will learn to tread water for 2 minutes in deep water, learn to float and survival swimming in deep water for 5 minutes. They will also learn to retrieve an object from 7 feet.
