The Huntley Park District's Day Camp is the place to be this summer! Campers K-8th Grade will enjoy an abundance of activities to keep them busy all summer long. Camps focus on adventure, friendship, fun, exploration, discovery and safety. The Huntley Park District strides to provide an exciting and unforgettable experience to all the campers each summer!

Our goal is to provide fun and safe activities that promote good sportsmanship, creativity and positive self-esteem through activities and special events such as team building, nature exploration, swimming, cooking, indoor/outdoor games, on-site entertainment, field trips, Grandparent's Picnic, talent show and so much more!

NEW this year – Register your child for the 8:00 a.m. swim lessons and camp sessions at the same time and we will receive the swim lesson at a discounted rate!

Children should be registered for programs according to the age they will be when the program starts or the grade they will enter in the fall of 2012.

Counselors are experienced, knowledgeable, caring and trained in first aid and CPR. No matter what camp you choose for your child, we know they will have a great summer! Please bring a photo of your child with their name marked on the back to the parent orientation or 1st day of camp that we may keep. This picture will be kept with your child's Camp Registration Form and will be taken on all field trips for safety precautions.

Each camp session is one week long.

A new theme is incorporated into the activities, projects, outings and games that have been planned for each session.

Each session contains two swimming days at Stingray Bay and one special event or field trip!

This is both an indoor and outdoor camp.

Field trips, special events, 1 camp T-shirt and afternoon snack/drink are included with your camp fees.
