

PARK DISTRICT CLOSED UNTIL MARCH 30

Based on the rapidly evolving situation with COVID-19 and recommendations from public health officials to limit public gatherings, Huntley Park District is canceling all programs and closing our facilities beginning at 7:30p tonight, Friday, March 13 through Sunday, March 29. While the Park District has no confirmed COVID-19 cases, we are exercising an abundance of caution. The Park District closure follows Community School District 158's closure and recommendations from public health officials to minimize exposure to participants and staff.

All activities, rentals, and events are canceled until Sunday, March 29. This includes Seedlings Preschool, all Basketball Activities, Fitness Center and Programs, Kids' Club, Extended Time Program, Spring Break Camp, all special events, sporting events, Theater rehearsals, martial arts and enrichment classes, as well as access to open gym. All rentals during this time period will be canceled. Essential staff will be on duty to further plan cancellations and communications. Spring Break Camp registrants will be refunded next week. ET participants will have their March billing delayed and adjusted accordingly. All other activities will be evaluated, and further communication will be sent as necessary.

The only exceptions to the closure are early Election Voting on Saturday, March 14, Election Day voting on Tuesday, March 17 at the REC Center and the regularly scheduled Park Board Meeting on Wednesday.

Essential staff will report to work during this time and receptionists will be available to answer calls from 8:00a-4:00p Monday through Friday. Other than voting, the building and registration office will be closed.

Closures and cancellations after March 29 will be reassessed and communicated to the public by Wednesday, March 25. Summer Day Camp Registration scheduled to begin on Monday, March 16 has been postponed and an update on the registration date will be part of the March 25 communication.

This is a fluid and evolving situation. The Park District will continue to provide updates as information becomes available at www.huntleyparks.org. As has been announced by various government officials, we also ask that you help you friends, families, and neighbors through this time to help them meet the various needs that may arise. Please visit our website for the most up to date information.
