Welcome to Seedlings Preschool

Our Seedlings Preschool program is for 3–5-year-old early learners.

Seedlings Preschool follows a play-based curriculum. This focuses on developing social skills along with self-awareness and the fundamentals of colors, shapes, numbers and more. This program is not licensed or regulated by DCFS.

Our activities address the social, physical, cognitive, emotional, language development and self-help needs of young children. With the support of amazing Park District facilities, parks, and amenities there is so much for your children to explore!

Play is the work of a child. Meaningful play encourages curiosity, discovery and problem solving. In our classrooms, you will find busy, happy and sometimes noisy children engaged in math, literacy, science, art, music and small motor activities. Our school uses the Letter People program, a puppet-based program, with all classes to help children learn the alphabet and letter sounds. As the children work and play, our college-educated teachers focus on the individual growth and self-esteem of each child.

Seedlings preschool uses a photo share app called Class Dojo. Pictures are viewed only by invite. You should receive an invite by the start of the school year. This is a fun way to see what the kids are up to during their class time.

Please complete the Participant Information Form, some classes will be using an electronic software and others will be sticking to the paper form for the upcoming school year. For those using the electronic software, ePACT, that is where you complete your Participant Information. An email from ePACT will be sent upon registration.

Provide your student’s vaccination records to the front desk. This form can be found on our website.

First Aid Procedures

In cases of minor injury, the staff will administer simple first aid. Parents won't be notified for all minor incidents that occur, staff will treat and resume activities. Parents will be notified for more serious injuries and illness that interfere with participation for an extended period of time. For more serious injuries requiring medical attention, the staff will call 911 and contact the parent(s) immediately. If neither parent can be reached, the staff will try to reach the emergency contact person specified on your participant form.

Sick Procedures

Parents will be called to come pick up their child if the child is vomiting, has a fever, or diarrhea. You must take your child home if they exhibit signs or symptoms of illness or when their needs require prolonged individual staff attention. Staff is required to report any cases of communicable diseases to the local board of health. Such reports shall include the name and home address of any individual in the program known to have or suspected of having a communicable disease. **Please do not send a sick child to class.** If you are not sure please keep your child home and contact your child’s physician for additional guidance.

Head Lice

Please assist with reducing the risk of contracting head lice by following these few simple guidelines below:

1. Remind your child to not share combs/brushes.
2. No sharing hats.

3. Check your child's head daily.
4. Notify the Program Manager immediately if a problem exists.
5. Begin treatment right away. (Staff can provide information on treatment of head lice.)

Environmental/Medical Accommodation Procedures

Special accommodation includes conditions that require emergency medications. This can include, but is not limited to, diabetes or severe allergies of which these conditions require insulin or an Epi-pen. If the request along with all needed documentation is not presented to the Park District in a timely manner, participation within the activity can be delayed or denied.

Medication Procedures

The Huntley Park District recognizes that participants may require the consumption or administration of both prescription and non-prescription medications to maintain health. We require you to fill out the *Permission to Dispense Medication Form* before any medication will be accepted. These forms should be completed before the first day of attendance. Medicine should be brought to school and given to your teacher. Medication will be secured and administered by the staff daily.

Allergies/Asthma

If your child has a severe allergy (nuts, bee stings, etc.) and/or if there is a prescribed EpiPen, please complete an *Allergy Action Plan*. If your child has Asthma and may need to use an inhaler, please complete an *Asthma Action Plan*. These forms can be found at our registration office.

Inclusion Request Procedure

If you believe a one-on-one aide is needed to support an individual within a Huntley Park District activity you can indicate that when you register. When registering online you will be asked the question "Does the participant have a special need?" This question is used for a variety of requests including one-on-one aides, medication needs, allergy needs, or other special accommodations. When you answer this question, this will prompt a staff person to reach out to you. An accommodation will be considered after a conversation with the parents of the participant. If necessary, medical notes and a formal assessment by our partner agency Northern Illinois Special Recreation Association may be necessary to determine what sort of accommodation is needed. Some of the supports available can be, but are not limited to a one-on-one aide, sign language interpreter, rule modification, or supply adaptation. We ask that participants give us at least two weeks prior to the activity starting, more if possible, to best evaluate and accommodate your need. All participants must meet the Essential Eligibility Guidelines explained on the previous page. We offer a recreation-based program, and our staff are trained to assist, redirect, refocus, and help individuals participate in the activities offered in our program. Our staff are not clinically licensed or certified and accommodations are based on the abilities of our staff to work with the needs of the participant. We will work with parents in the initial evaluation and on an ongoing basis if there are concerns about appropriate care. We want to ensure that your child is in the best place for their respective needs. Unfortunately, depending upon the level of personal care needed, our staff may not be the most qualified for your individual situation.

BEHAVIOR MANAGEMENT PROCEDURE

All participants are expected to exhibit appropriate behavior. The following guidelines have been developed to help make children's programs safe and enjoyable for all participants. Additional rules may be developed for specific programs as deemed necessary by staff.

CODE OF CONDUCT

Huntley Park District insists that all participants comply with the following basic behavior code. All participants shall:

1. Show respect to all participants, staff, and volunteers.
2. Follow program rules and take direction from staff.
3. Refrain from using abusive or inappropriate language.
4. Refrain from threatening or causing bodily harm to self, other participants, or staff.

5. Show respect for equipment, supplies and facilities.
6. Not possess any weapons.

Discipline

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual's situation. The Huntley Park District reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others.

Procedures

Upon registration or entry into the program, the parent/guardian should be solicited for any information regarding special accommodations needed for the participant. Also, the inclusion coordinator from the Special Recreation Association (SRA) should be contacted for guidance. Documentation should be maintained regarding any problem behaviors, special accommodations, and behavior modification programs.

If any participant exhibits inappropriate actions, the following guidelines should be followed:

Program leaders should determine the severity of the action and immediately take steps to correct it. These may include but are not limited to:

- First occurrence: Verbal warning
- Second occurrence: Time-out. (Approximately one minute per age.)
- Third occurrence: Loss of Privilege. Conduct Report given. Parent/guardian notified.
- Three Conduct Reports: The Recreation Manager will contact a parent or guardian to request a meeting (in person or over the phone as necessary) to discuss disciplinary problems and solutions.

NOTE Any violent, physical or threatening actions may receive an immediate conduct report and may result in a suspension from the program. The Park District reserves the right to suspend/dismiss a participant whose behavior endangers the safety of themselves or others, continues to violate program rules (intentionally or unintentionally) and/or if inappropriate behavior does not stop.
