#### **Mission Statement**

The Huntley Park District is committed to providing accessible parks, programs, open space and facilities for healthy activities, creative expression and learning opportunities in order to enhance the quality of life for district residents and visitors.

#### **Huntley Park District Residents**

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

#### **Photos and Video**

Photos and video footage are periodically taken of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

#### **Register Early**

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

#### **Cancellation of Programs**

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. In the event an activity is cancelled you will receive a full refund of any fees paid.

#### Waiting List

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as ET or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

#### **Refunds/Cancellations**

General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. When the Park District reschedules or cancels an activity due to insufficient registration, full refunds will be given. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments.

Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

#### **Non-Payment of Fees**

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

FALL 2019 | STAY CONNECTED

#### **Huntley Park Foundation**

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Thom Palmer, Executive Director, Huntley Park District at (847) 669-5683 or tpalmer@ huntleyparks.org.

#### **Code of Conduct and Participant Discipline**

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

- 1. Show respect to all participants and staff.
- 2. Refrain from use of foul language.
- 3. Show respect for equipment and facilities.
- 4. Dress appropriately for activities

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

- 1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
- 2. If the behavior continues, the instructor will inform parents a second time.
- 3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

#### **Americans with Disabilities Act**

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

#### **Northern Illinois Special Recreation Association**

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of thebenefits gained from participating in NISRA's year-round activities.

#### **Youth Sports League Requests**

There are two types of requests that will be accepted during registration for a Huntley Park District recreational youth sports leagues.

Friendship requests can be completed at the time you register your child, provided it is before the published registration deadline for the league. When registering your child for a league that allows this type of request, you will be prompted for "Roster Notes." Here you may provide the name of only <u>one</u>, friend that you would like to have your child placed on the same team with. Both parties must request the same friend request. Head and assistant coaches that would like to coach together must use the one allowed friendship request to guarantee that coaching pairing. Coaches will not be allowed to have separate coaching pair and a friend request.

We will also honor any request completed at the time of registration to NOT have a specific coach.

Any other requests such as to have a specific coach or regarding specific practice nights cannot be guaranteed due to the large size of the leagues and the number of variables in scheduling that are not known until registration has been completed.

#### **Youth Sports League Volunteers**

Volunteers are needed for each team. If you are interested in coaching, please visit our volunteer coaching page at www.huntleyparks.org or send an e-mail to rcoffland@huntleyparks.org. You will also be asked for your interest in coaching during registration and you can indicate your interest there.

Players should arrive at least 15 minutes prior to the start of their evaluation session to check in. Players who do not attend an evaluation session, or do not register until after the evaluations have been conducted will not be eligible to be drafted by coaches and will be randomly assigned to a team after the draft process is completed. Registration deadline is Monday, November 25th. This league is expected to fill up completely, possibly before the registration deadline, so early registration is strongly encouraged. In the event a league does not fill by the registration deadline, limited enrollment may still be available past that date, and will be subject to an additional \$15 late registration fee. (RC)

#### 2019 Coach of the Year

Each year the Huntley Park District selects four finalists, including one winner, for our Volunteer Coach of the Year Award. Finalists are selected based on their dedication to the three key principles of the Positive Coaching Alliance; the ELM tree (effort, learning, and mistakes are OK), filling kids' emotional tanks, and honoring the game. Feedback from both participating families and our staff is taken into consideration when selecting these honorees.

#### **Lightning Warning System**

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three – 5 second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

#### **Rainout Line**

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.
