### Huntley Park District Where do your property taxes go?

For every dollar a resident pays in property taxes, approximately two cents is paid to the Huntley Park District.

Estimate based on Huntley home valued at \$265,000 for property taxes paid in 2017.

The Park District property tax has decreased from 2014 to 2017 due to the Pool/REC Center and Pinecrest Golf Course bond retirement, in conjunction with the conservative financial management of the administrative staff and the attentive governance of the Park Board of Commissioners. This is nearly a \$200 reduction for homeowners over the past three years.

#### WHO ARE THE RESIDENTS OF HUNTLEY PARK DISTRICT?

You are a resident of the Huntley Park District if you pay taxes to the district and reside in our boundaries. A utility bill will constitute proof of residency.

#### IMPORTANCE OF REGISTERING EARLY

The Huntley Park District staff must set registration deadlines for a variety of programs. Registration deadlines are created due to the time frame it takes for staff to organize, order equipment, form rosters, and create schedules. Popular programs do fill up quickly and space is limited. For programs that do not state a registration deadline, please realize for all programs to run efficiently, registration must take place one week prior to the beginning of the first class/program date. If a patron registers after the deadline or the program is filled prior to the deadline, they will be put onto a waiting list. Being enrolled on a wait list does not guarantee eventual enrollment. Wait lists are taken up until one week before the program begins. Please make an effort to register early.

#### FACILITY RENTAL

The Huntley Park District has picnic shelters and rooms available for rent. Please call 847-669-3180 ext. 301 and speak with the Facility Manager for more information.

#### PHOTOS/VIDEO

Photos are periodically taken of participants in class, special events and at Huntley Park District's parks and facilities. Please be aware that these photos are for Huntley Park District use only and may be used in the District's publications, website and marketing.

#### LOST ITEMS

Personal items brought to the Huntley Park District are the responsibility of the individual. If something becomes lost, please check with the registration desk staff.

#### CONDUCT/PARTICIPANT GUIDELINES

- 1. Show respect to all participants and staff.
- 2.Refrain from use of foul language.
- 3. Show respect for equipment and facilities.
- 4. Dress appropriately for activities.

#### DISCIPLINE

The Huntley Park District will use a positive approach regarding discipline. The Huntley Park District reserves the right to dismiss a participant. Each situation will be evaluated on its own merit.

The purpose of discipline is to help a child develop selfcontrol and learn to assume responsibility for his or her own actions.

We use positive statements and reinforcements to redirect negative behavior.

Should a child need more than that, a "time-out"

period may be initiated.

We will handle disruptive behavior as follows:

- 1. The parent/guardian will be informed of the specific behavior. A memo will be given to the parent and a copy will be kept in the child's file.
- 2. If the behavior continues, the instructor will inform parents a second time.
- 3. If there is no change in behavior, your child will be dismissed from the class/program; a refund will be issued for the remaining class days. Each situation will be evaluated on its own merit.

Disruptive behavior is defined as any behavior that causes, or could lead to, personal injury of your child or others. Examples: hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal class climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

#### ATVS, SCOOTERS, BIKES & ALL MOTORIZED VEHICLES

The use of motorized vehicles in Huntley Park District parks is strictly prohibited, unless it is an ADA approved personal transportation device.

No ATVs, dirt bikes or electric scooters are allowed in the Huntley Park District parks.

Please be aware that the use of such vehicles inside the parks will result in the police being notified and action taken.

These vehicles disrupt the community and cause damage to our parks.

We would like to keep our parks beautiful and peaceful and to maintain an atmosphere of relaxation for our guests. We appreciate your cooperation.

#### **REFUND POLICY**

All refunds must be requested by completing a refund request form. No requests will be accepted verbally. By completing a refund request form does not ensure that you will receive a refund. No refunds will be made after a program has started except in the case of participant's illness. A written documentation from a physician must accompany the refund request form. Refund may be pro-rated if approved. There will be a \$10 administration fee per activity that a refund is requested on forms submitted prior to the program start date.

#### **Youth Sports Request Policy**

There are two types of requests that will be accepted during registration for a Huntley Park District recreational youth sports league.

Friendship requests can be completed at the time you register your child, provided it is before the published registration deadline for the league. When registering your child for a league that allows this type of request, you should be prompted to provide the name of one, and only one, friend that you would like to have your child placed on the same team with. In order for this request to be guaranteed to be honored, **that friend must also list your child as their one, and only one request** when they complete their registration, and both requests must be completed before the registration deadline. Any requests that are not matched or involve more than two total players (except in cases where siblings are involved) will not be honored. Head and assistant coaches that would like to coach together must use the one allowed friendship request to guarantee that coaching pairing. Coaches will not be allowed to have separate coaching pair and friend requests honored.

We will also honor any request completed at the time of registration to NOT have a specific coach.

Any other requests such as to have a specific coach or regarding specific practice nights cannot be guaranteed due to the large size of the leagues and the number of variables in scheduling that are not know until registration has been completed.

Volunteer Coaches are needed. Please contact Ryan Coffland, Athletic and Fitness Manager rcoffland@huntleyparks.org • 847-669-3180 ext. 318

Register when program brochure comes out so your child can be involved! Maximums set for quality programs and facility availability.

#### **Recreational Basketball League Information 1st-6th Grade**

Recreational basketball leagues are designed for players to have fun, improve their skills and develop an enjoyment for the game. Each player will receive a team jersey. **Please make sure to indicate your child's correct shirt size when you register.** 

Volunteers are needed for each team. If you are interested in coaching, please visit our volunteer coaching page at <u>www.huntleyparks.org</u> or send an e-mail to <u>rcoffland@huntleyparks.org</u>.

#### Thor Guard Lightning Prediction System and Warning System

Thor Guard is a lightening prediction system at Stingray Bay, Tomaso Sports Park, Public Works and Deicke Park that warns patrons and staff of potential lightning up to a 10 mile radius. When this system detects high energy it will emit a 15 second blast and strobe lights will begin to flash. All outdoor activities should cease and all persons should seek shelter in a permanent building or vehicle immediately. DO NOT SEEK SHELTER WITHIN DUGOUTS, PICNIC PAVILIONS, OR NEAR TALL OBJECTS SUCH AS FENCES, TREES, ETC.The strobe light on the system will continue to flash while there is potential for a lightning strike. Activities should not be resumed until the system has indicated the "all clear" with three – 5 second horn blasts and the strobe lights stop flashing.
