# Falling into Fun!

As the Park District wraps up a very busy summer season, I'm excited about the momentum the Park District is building. As we head into the Fall there are some great things happening around the District.

This summer the Park District hosted a series of Public Information Meetings, as well as meetings with various key stakeholder groups in Huntley to gather information from our constituents as to how the Park District can best serve them. Our Strategic Master Plan continues, and a Community Interest Survey will be available for everyone in the community in late-Summer/early-Fall at [www.PlanToPlayHuntley.com](http://www.PlanToPlayHuntley.com). Your input will help guide the District's priorities for the next 5-10 years and I encourage you to participate.

This Fall, be sure to participate in our newest Special Event, the Haunted Trails at Deicke Park. You can find more information on this popular event that first launched last year on page 8. Thanks to the Huntley Park Foundation for providing more resources to expand this event even further.

Fall Sports are just around the corner as well. Youth Soccer Leagues will be beginning in late August which is always a big hit with our kids. Before you know it, basketball season will be starting. Whether your child is interested in continuing the leagues they've participated in for the past few years, you are trying it out for the first time, or you want to take your child's basketball game to the next level with our Feeder Basketball Program, there is something for every basketball enthusiast.

The Park District is also pleased to provide necessary programs and services for working parents and developing children. Seedlings Preschool will launch its 39th year this fall and is a great opportunity for your children to meet new friends, develop classroom etiquette, gain valuable education experience to prepare them for grade school, and to have fun! For working parents of School District 158 school children, we offer the Beyond the Bell (BtB) Program onsite for K-5th graders. More information on Seedlings Preschool and Beyond the Bell can be found on pages 3 and 5, respectively.

Finally, there are many important people that help make our Park District successful and contribute to the quality of life in our community. First, are our volunteers! We have hundreds of sports coaches who volunteer every year to help us deliver quality sports programming. We also have other volunteers that help in Preschool and at Special Events. Next, is our amazing staff. I'm constantly amazed at the wonderful programming, creative ideas, and passion our staff have for their jobs and for our community. Whether it is our front-line staff such as those you would encounter at Stingray Bay, Pinecrest Golf Course, the Rec Center, Summer Camp or other staff such staff from our Marketing Department, Finance Department, Parks and Facilities Department, and our Recreation Department, they are always working hard to serve you! Finally, I'd like to thank YOU, our valuable customers. Without your participation, support, and feedback we could not do the things we do to serve you. Thank you all.

Sincerely,

**Scott M. Crowe, CPRE**  
Executive Director

### General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional, and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

**Eligibility:** Children must be the appropriate age for the program by the program start date and be potty-trained.

**Fees:** Prices listed are monthly fees in which the first month is paid with this online transaction plus a one-time enrollment fee. The remaining 8 monthly payments are done each month starting on September 15 this fall.

## Elementary Drawing

REC Center, North Classroom - Activity #4402055

REGISTER

This fall, we'll go topsy-turvy for our cartoon lessons. Eating asparagus may not sound appetizing to some, but in a Young Rembrandts classroom, it'll make for a fun and silly drawing. The never-ending rivalry rages on as the cats and dogs go at it again in the month of September. Develop a different and more expressive appreciation for vegetables as we draw veggie expressions in October. In November, weirder means better as we draw unusual pets. We'll draw these (and many more exciting lessons!) while we enhance the creative and critical thinking skills today's students need-both in the classroom and in the lifelong learning process. Enroll Today! **Contractual activity provided by Young Rembrandts. (SS)**

## Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - five second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

## Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.

## Mission Statement

The Huntley Park District is committed to providing accessible parks, programs, open space and facilities for healthy activities, creative expression and learning opportunities in order to enhance the quality of life for district residents and visitors.

## Huntley Park District Residents

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

## Photos and Video

Photos and video footage are periodically taken of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

## Register Early

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

## Cancellation of Programs

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. In the event an activity is cancelled you will receive a full refund of any fees paid.

## Waiting List

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as ET or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

## Refunds/Cancellations

General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. When the Park District reschedules or cancels an activity due to insufficient registration, full refunds will be given. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments.

Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

## Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

## Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Scott Crowe, Executive Director, Huntley Park District at (847) 669-5463 or [scrowe@huntleyparks.org](mailto:scrowe@huntleyparks.org).

## Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

## Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.
