Director's Message

Scott M. Crowe, CPRE
Executive Director

As the seasons begin to change, the Huntley Park District continues to grow and evolve with exciting improvements designed to better serve our community. This fall is shaping up to be an exciting time, with major projects moving forward, new amenities on the horizon, and a wide variety of programs for residents of all ages.

We're making significant progress on several improvement projects throughout the district. Renovation work at Ol' Timers Park will wrap up soon, bringing exciting new features to one of our community's beloved neighborhood parks including our first wiffle ball field, fitness stations on the trail, an enlarged baseball field, and a new playground.

At Pinecrest Golf Club, we're preparing for one of the most exciting additions in the club's history. Our new Golf Entertainment Project is expected to open in late 2026, creating a year-round destination where golfers, families, and friends can enjoy interactive golf experiences, food, and entertainment.

You'll also notice continued investment in recreation and infrastructure throughout the district with our new Sport Court Project and Warrington Park Trail Paving Project. Expanded opportunities for basketball and tennis at Coach's Park, 8 pickleball courts at Deicke Park, and enhanced accessibility at Warrington Park highlight these improvements. We're anticipating opening the new courts this fall, providing even more amenities for residents to stay active and enjoy outdoor recreation. You can stay up to date on these and all Huntley Park District capital improvement projects, at our Project Updates page on our website.

While we're investing in our parks and facilities, we're equally committed to providing outstanding programs and services for our community. This fall, our Beyond the Bell before and after school program continues to provide a safe, engaging environment for District 158 families. Seedlings Preschool is helping our youngest learners build confidence through play-based education, and our newly renovated, and rebranded Mill Street Fitness continues to welcome members with updated spaces, new equipment, and expanded opportunities to reach their health and wellness goals.

Thank you for choosing the Huntley Park District. Your continued support allows us to invest in our community and create spaces and experiences that enhance quality of life for everyone. We look forward to seeing you in our parks, facilities, and programs this fall!

2026-2027 School Year

General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional, and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

Eligibility: Children must be the appropriate age for the program by the program start date and be potty-trained. No pull-ups.

Fees: Prices listed are monthly fees in which the first month is paid with this online transaction plus a one-time enrollment fee. The remaining 8 monthly payments are done each month starting on September 15 this fall.

Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - five second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.

Photos and Video

Photos and video footage are periodically taken by Park District staff and/or contractors, of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

Registration & Waitlists

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as BtB or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

Cancellations & Refunds

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments. The Huntley Park District will not send communication prior to the start of a program. Participants are expected to follow details provided on receipt following registration. Refunds will not be given for those who do not attend their registered programs. Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

Credit Card Service Fees

All credit card service fees will be paid by the customer. These fees will appear during the checkout process at the time of payment.

To avoid paying credit card service fees, customers may choose to pay by cash or check in person at the Huntley Park District REC Center. If you participate in a program or membership type that has regular billing, setting up payment by ACH will also avoid credit card service fees.

Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Scott Crowe, Executive Director, Huntley Park District at (847) 669-5683 or scrowe@huntleyparks.org.

Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities.

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

Northern Illinois Special Recreation Association

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of the benefits gained from participating in NISRA's year-round activities.

NISRA staff assist Huntley Park District staff with including residents with disabilities in our recreation programs. Call NISRA at (815) 459-0737 with questions about inclusion. Ask for the NISRA brochure at our office or visit NISRA's web site at www.nisra.org.
