Specifically included in the above are the following:

1. To select an Executive Director as its chief administrative officer and professional advisor and properly delegate to him/her the authority and responsibility to execute its policies, enforce its rules and regulations, and administer the parks and recreation facilities, programs, and services.
2. To provide for the levy of taxes in order that funds may be available for the beautification and maintenance of the parks and operation of the recreation facilities, programs, and services. To levy monies for bond and interest, insurance premiums for liabilities, audit expenses, and other special needs as allowed by the Illinois Park District Code.
3. To adopt and control a park and recreation budget to meet the community's desire for cost, quality, and the best possible facilities, programs and services.
4. To develop policies in accordance with the law, which will satisfy the needs of the community and the wishes of the people, and to approve means whereby the policies may be efficiently executed.
5. To appraise and evaluate continuously the effect of its policies and their efficiency.
6. To assume responsibility for keeping the residents of the Park District informed concerning the purposes, achievements, requirements, and financial condition of their parks, recreational facilities, and programs.
7. To study improved park and recreational facilities and practices and to assist in presenting pertinent and up-to-date information to the citizens of the Park District.
8. While discharging their responsibilities through official actions of the Board as a whole, Board members may be considered to be discharging their responsibility pursuant to the Park District Code (Chapter 105, Illinois Revised Statutes). In the discharge of their duties, Park Board members act as a Board and not as individuals. The individual has no more authority of park and recreation policies or park and recreation personnel than any other citizen. He/she has no legal or moral right to speak for the Park Board unless specifically authorized to do so by actions of the Board.
9. Park Board Commissioners should avoid making any promises in advance of a meeting relative to their vote on any proposition, which is to be considered. Also considered improper, ill advised, and unethical are pronouncements and public conjectures about Park Board matters not yet decided by the Board when made outside of official Board meetings.
10. Park Board Commissioners represent all the people of the Park District and therefore should avoid partisanship based on special interests.
11. Park Board Commissioners should make decisions involving the welfare of the community based on study and evidence rather than feelings, prejudices, personal opinions or other similar factors.
12. Park Board Commissioners should accept the principle of Board unity and the subordination of personal interests by accepting and supporting majority decisions of the Board and identifying themselves with Board policies and actions.
13. Park Board Commissioners should not interfere in the details of the work of the Director and his/her staff. Commissioners should respect the Board's commitment to work through its chief administrative officer by wholeheartedly supporting approved actions of the administration.
14. Park Board Commissioners shall not exert influence upon staff for any political purpose or beliefs and shall not seek support or help through threats or promises during elections.
