# Director's Message

**Scott M. Crowe, CPRE**  
*Executive Director*

As we turn the page from winter to spring, there is a great deal of excitement and momentum building across the Huntley Park District. While the temperatures may still be cool, we are already preparing for a vibrant and active season ahead.

I'm pleased to share that renovations at Tomaso Sports Park are nearing completion and will be ready just in time for the spring season. We are excited to introduce this newly renovated amenity to the community.

Looking ahead, improvements will also begin at Ol' Timers Park in late spring/early summer. This project will feature a brand-new playground, updated baseball field, a wiffleball field and more. By mid-year, we anticipate unveiling a refreshed and revitalized park experience for our residents.

Season passes for Stingray Bay Family Aquatic Center are currently on sale at the lowest price of the season. Now is the time to lock in the best value for another fantastic summer at our community's premier aquatic destination.

Summer Camp registration is also opening soon and remains one of the best ways to keep your children active, engaged, and connected with friends during the summer months. Whether camp serves as an essential childcare solution or an enriching addition to your child's break from school, we offer a variety of flexible options designed to create lasting memories and meaningful experiences.

As we approach the warmer months, we unfortunately tend to see an increase in vandalism throughout our parks. We ask parents to please remind their children to respect our public spaces. Vandalism leads to downtime of amenities, potential safety hazards, additional costs to taxpayers, and negative impacts on our surrounding neighborhoods. If you witness vandalism in progress, please call 911 immediately.

Thank you for your continued support of the Huntley Park District. We look forward to an exciting spring and an even brighter summer ahead.

**Counselor-in-Training**

**REC Center - Activity #2204010 (EU)**

The Counselor in Training (CIT) program is for teens 13-15 who truly enjoy working with young children, are good role models, have positive attitudes and want to learn. The goal of the program is to train future camp counselors how to create and be a part of a safe and fun summer camp. The CIT program teaches young teens to be responsible, caring and creative camp leaders while gaining valuable leadership skills and hands-on day camp experience. Under the supervision of experienced camp staff. CIT's role will be to work directly with the campers and assist Camp Counselors and Group Leaders with creating and implementing camp activities, games, crafts, sports, events, etc. CIT's will have their own time as a group each day for activities. They will also attend field trips while assisting other camp and enjoy visits to Stingray Bay.

Those registering for the program will complete an application process.

**Ages:** 13-15 years

# 2026-2027 School Year

## General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional, and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

**Eligibility:** Children must be the appropriate age for the program by the program start date and be potty-trained. No pull-ups.

**Fees:** Prices listed are monthly fees in which the first month is paid with this online transaction plus a one-time enrollment fee. The remaining 8 monthly payments are done each month starting on September 15 this fall.

**SWIM LESSONS**

**Baby Ray**

**Stingray Bay - Activity #2101000 (JN)**

An introduction to swimming directed towards improving the child's comfort level in water while training parents in water safety and drowning prevention. Baby Ray must have a parent or caregiver in the water at all times. Parents will be taught different holding techniques while their child explores the water using basic arm and leg movements. Participants will sing songs and play games to become more comfortable in the water while becoming familiar with trust and comfort, body position, submersion, air recovery and rollover, forward movement, wearing a lifejacket, and entering/exiting the pool safely. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence building, fun, and loving experience for children! **Average age: 6 months-2 years.**

Hot Shots Sports aims to develop young athletes who will grow emotionally, physically, and intellectually in our sports programs. By redirecting the focus away from wins

and losses and toward personal growth, we create an environment where winning is the byproduct of and not the means to success. This approach creates critical thinkers who understand the importance of giving their best in practice, games, and other life endeavors. Our Coaches take pride in fostering that drive and motivating your child to find the champion inside of themselves.

### Lil' Dribblers

Instructors organize short games at the end of each class. The lesson plan incorporates leadership and educational components.

**Jr. Volley Series Match Play (11-14 yr):** Interested in playing volleyball with other volleyball athletes with skills to compete against other park district teams? Then our Volleyball Pro will develop a team and bring parity to the weekly instruction to prepare match-PLAY. Lesson plans will guide the team in weekly 75 minute trainings. At weekly practice, the teams will learn defense and offense positions while also improving their fundamentals of passing, setting, spiking, and overhand serving. **Contractual activity provided by EVP Academies.**

**DATES:** April 7 - April 28 (Sec 01 - 03)  
May 5 - May 26 (Sec 04 - 06)

## Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - five second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

## Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.

## Huntley Park District Residents

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

## Photos and Video

Photos and video footage are periodically taken by Park District staff and/or contractors, of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

## Registration & Waitlists

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as BtB or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

## Cancellations & Refunds

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments. The Huntley Park District will not send communication prior to the start of a program. Participants are expected to follow details provided on receipt following registration. Refunds will not be given for those who do not attend their registered programs. Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

## Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

## Credit Card Service Fees

All credit card service fees will be paid by the customer. These fees will appear during the checkout process at the time of payment.

To avoid paying credit card service fees, customers may choose to pay by cash or check in person at the Huntley Park District REC Center. If you participate in a program or membership type that has regular billing, setting up payment by ACH will also avoid credit card service fees.

## Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Scott Crowe, Executive Director, Huntley Park District at (847) 669-5683 or [scrowe@huntleyparks.org](mailto:scrowe@huntleyparks.org).

## Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities.

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

## Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

## Northern Illinois Special Recreation Association

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of the benefits gained from participating in NISRA's year-round activities.

NISRA staff assist Huntley Park District staff with including residents with disabilities in our recreation programs. Call NISRA at (815) 459-0737 with questions about inclusion. Ask for the NISRA brochure at our office or visit NISRA's web site at [www.nisra.org](http://www.nisra.org).
