

# SUMMER 2023

## REGISTRATION NOW OPEN

- Swim Lessons
- Youth & Adult Sports
- New Special Events

Summer is nearly here and just as the flowers are blooming, we are eager to begin our outdoor programming! Spring has given us that urge to get outside and enjoy our 13 beautiful parks, including the annual opening of Deicke Discovery Zone!

The start of Summer Day Camp is nearly here, and our staff is excited to bring a summer full of fun for our campers. With camps available from preschool through 8th grade, plus our special edition camps, there is a little something for everyone. If you are looking to fill your child's summer with fun-packed activities, look no further!

Would it truly be summertime if we didn't talk about Stingray Bay Family Aquatic Center? Memorial Day is quickly approaching, which means the swim season at Stingray Bay is about to begin. Season passes are on sale now, and you can save if you purchase before June 5. Swim lessons, Stingrays Swim Team, and aquatic special events are also set to begin. You can learn more about all our aquatic offerings starting on page 8.

We have a few new events planned this summer, so get out your calendars and save the dates for what's ahead. If you're looking to get outside and stay active, you're going to love our new 21 and over Sample & Stride Brew Run or Cup-in-Hand Kickball Tournament on page 19.

I am excited to invite all members of our community to the ribbon cutting of Coach's Park on Tuesday, June 27 at 7:00p. The new Cider Grove neighborhood park is designed to honor those who volunteer their time as youth sports coaches, past, present, and future. Please watch online for how you can purchase a commemorative brick or dedicated tree to the special coach(es) in your life.

The District is looking forward to launching GO Huntley! Built on educating the community on the health benefits of walking every day, GO Huntley will be the first community walking program of its kind in both McHenry and Kane County. We hope you'll join us on Tuesday, July 18 at 7:00p in Deicke Park, where we'll have music, games, and some special guests that will be in attendance to kick off this incredible FREE community program!

Lastly, as we conclude our strategic plan process, you will be able to view the plan's findings on our website at [www.huntleyparks.org](http://www.huntleyparks.org). I thank everyone who participated in the process and I look forward to working toward the opportunities identified in the plan.

Thank you for making the Huntley Park District your premiere provider for recreation!

Sincerely,

**Scott M. Crowe, CPRE**

### ePACT

ePACT is a tool used by organizations and families to securely collect reliable and up-to-date information for all its members that can be accessed easily in cases of emergencies, big or small. This ensures better preparedness for all members of this organization. The Huntley Park District will be using ePact to gather medical information, emergency contact and alternate pick-up people, Camp sign-in/out and more! You will receive this at the time of registration in your email confirmation. Our staff will follow-up as necessary to ensure that this information is completed. Visit the ePact for Families page for more information, training videos, etc. You will also find all medication, allergy, and asthma action forms on ePact.

### Additional Information

You can find more important information pertaining to medical needs, inclusion, and other documents associated with summer camp by [visiting our website](#).

## Counselor-in-Training

REC Center - Activity #2204010 (EU)

REGISTER

The Counselor in Training (CIT) program is for teens 13-15 who truly enjoy working with young children, are good role models, have positive attitudes and want to learn. The goal of the program is to train future camp counselors how to create and be a part of a safe and fun summer camp. The CIT program teaches young teens to be responsible, caring and creative camp leaders while gaining valuable leadership skills and hands-on day camp experience. Under the supervision of experienced camp staff, CIT's role will be to work directly with the campers and assist Camp Counselors and Group Leaders with creating and implementing camp activities, games, crafts, sports, events, etc. CIT's will have their own time as a group each day for activities. They will also attend field trips while assisting other camp and enjoy visits to Stingray Bay.

Those registering for the program will complete an application process.

## CHESS

**Chess Wizards****REC Center, North Classroom - Activity #3405050 (EU)****REGISTER**

Chess Wizards has developed an interactive day-camp format that includes all kinds of activities to keep kids both physically and mentally engaged during their time with us. Team chess games, puzzles, skill-building, and team and individual physical games are just some of the ways we integrate the whole person into our camp activities. A sample day might include exploration of a technical chess concept, fun group challenges which hone specific chess thinking patterns, a healthy snack, a mini-tournament, capture-the-flag, and blob tag. Or creating and designing your own chess piece to be used in a practice game with your new friends. After all, it's camp... we want our students to make memories that they will carry with them through the upcoming school year and beyond. **Contractual Activity Provided by Chess Wizards.**

## StarBabies

Stingray Bay - Activity #3101000 (JN)

REGISTER

An introduction to swimming directed towards improving the child's comfort level in water while training parents in water safety and drowning prevention. StarBabies must have a parent or caregiver in the water at all times. Parents will be taught different holding techniques while their child explores the water using basic arm and leg movements. Participants will sing songs and play games to become more comfortable in the water while becoming familiar with trust and comfort, body position, submersion, air recovery and rollover, forward movement, wearing a lifejacket, and entering/exiting the pool safely. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence building, fun, and loving experience for children! **Average age: 6 months-2 years.**

## 2023-2024 School Year

### General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional, and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

**Eligibility:** Children must be the appropriate age for the program by the program start date and be potty-trained. No pull-ups.

**Fees:** Prices listed are monthly fees in which the first month is paid with this online transaction plus a one-time enrollment fee. The remaining 8 monthly payments are done each month starting on September 15 this fall.

Seedlings School has decided to offer a summer program, once again. It is geared to fill the void that we are still feeling with the pandemic. Class structure and curriculum will mirror our nine-month program but adapt to a shorter period of time. Children will be introduced to the Letter People Program which is an engaging program using puppets to teach letter recognition and phonics. Children will learn math through games and other hands-on learning. Each day, we will have art, music, and story time. There will be time for large motor fun either on Miss Connie's Playground or inside. Children must bring a snack and a water bottle each day. All children must be potty trained. "Come Grow with Us" at Seedlings Preschool this summer.

## Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - five second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

## Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.

## Mission Statement

Connecting the community.

## Huntley Park District Residents

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

## Photos and Video

Photos and video footage are periodically taken by Park District staff and/or contractors, of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

## Register Early

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

## Cancellation of Programs

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. In the event an activity is cancelled you will receive a full refund of any fees paid.

## Waiting List

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as ET or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

## Refunds/Cancellations

General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. When the Park District reschedules or cancels an activity due to insufficient registration, full refunds will be given. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments. The Huntley Park District will not send communication prior to the start of a program. Participants are expected to follow details provided on receipt following registration. Refunds will not be given for those who do not attend their registered programs.

Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

## Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

## Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Scott Crowe, Executive Director, Huntley Park District at (847) 669-5683 or [scrowe@huntleyparks.org](mailto:scrowe@huntleyparks.org).

## Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

## Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

## Northern Illinois Special Recreation Association

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of the benefits gained from participating in NISRA's year-round activities.

NISRA staff assist Huntley Park District staff with including residents with disabilities in our recreation programs. Call NISRA at (815) 459-0737 with questions about inclusion. Ask for the NISRA brochure at our office or visit NISRA's web site at [www.nisra.org](http://www.nisra.org).
