Director's Message

Scott M. Crowe, CPRE
Executive Director

As we turn the page to another exciting summer, I'm proud to share all that's ahead for the Huntley Park District, and there's truly something for everyone to enjoy.

We're kicking things off in a big way with the upcoming Tomaso Sports Park Ribbon Cutting. This milestone represents a continued investment in high-quality recreational spaces for our community, and we invite you to come celebrate with us as we officially unveil this incredible asset on June 2 at 6:00p (rain date June 4 at the same time).

Summer in Huntley wouldn't be complete without time at Stingray Bay Family Aquatic Center, and 2026 is shaping up to be one of our best seasons yet. Whether you're planning relaxing afternoons poolside, family outings, or looking for the perfect place to cool off, a Stingray Bay season pass is your ticket to it all. With daily visits, special events, and a vibrant community atmosphere, it's more than just a pool, it's where summer memories are made. If you're looking for the best value and the most fun this summer, this is it.

Our Summer Camp program is another cornerstone of the Huntley Park District experience, and it continues to grow each year for a reason. Families rely on our camp not just for convenience, but for the safe, engaging, and enriching environment we provide. From themed weeks and exciting field trips to outdoor adventures and lasting friendships, Summer Camp delivers an experience kids look forward to all year long. With flexible weekly options and affordable pricing, now is the time to secure your child's spot before sessions fill.

Beyond our signature summer programs, we're continuing to invest in the future of our parks and facilities. I'm excited to share that our new Golf Entertainment venue at Pinecrest Golf Course is on track to open this December, bringing a unique, year-round recreation and social experience to the community. This fall, we'll also see the addition of new pickleball courts at Deicke Park and tennis courts at Coach's Park, expanding opportunities for active play across all ages. And right around the corner, the Ol' Timers Park renovation will reopen this summer.

Every project, program, and event we offer is designed with our community in mind. But at the heart of summer in Huntley are the experiences that bring families together—days at the pool, weeks at camp, and memories that last a lifetime.

We encourage you to explore this program guide, take advantage of everything we have to offer, and make 2026 a summer to remember.

ePACT

ePACT is a tool used by organizations and families to securely collect reliable and up-to-date information for all its members that can be accessed easily in cases of emergencies, big or small. This ensures better preparedness for all members of this organization. The Huntley Park District will be using ePact to gather medical information, emergency contact and alternate pick-up people, Camp sign-in/out and more! You will receive this at the time of registration in your email confirmation. Our staff will follow-up as necessary to ensure that this information is completed. Visit the ePact for Families page for more information, training videos, etc. You will also find all medication, allergy, and asthma action forms on ePact.

Counselor-in-Training

REC Center - Activity #2204010 (EU)

The Counselor in Training (CIT) program is for teens 13-15 who truly enjoy working with young children, are good role models, have positive attitudes and want to learn. The goal of the program is to train future camp counselors how to create and be a part of a safe and fun summer camp. The CIT program teaches young teens to be responsible, caring and creative camp leaders while gaining valuable leadership skills and hands-on day camp experience. Under the supervision of experienced camp staff, CIT's role will be to work directly with the campers and assist Camp Counselors and Group Leaders with creating and implementing camp activities, games, crafts, sports, events, etc. CIT's will have their own time as a group each day for activities. They will also attend field trips while assisting other camp and enjoy visits to Stingray Bay.

Those registering for the program will complete an application process.

Ages: 13-15 years

SWIM LESSONS

Baby Ray

Stingray Bay - Activity #2101000 (JN)

An introduction to swimming directed towards improving the child's comfort level in water while training parents in water safety and drowning prevention. Baby Ray must have a parent or caregiver in the water at all times. Parents will be taught different holding techniques while their child explores the water using basic arm and leg movements. Participants will sing songs and play games to become more comfortable in the water while becoming familiar with trust and comfort, body position, submersion, air recovery and rollover, forward movement, wearing a lifejacket, and entering/exiting the pool safely. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence building, fun, and loving experience for children! **Average age: 6 months-2 years.**

General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional, and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

Eligibility: Children must be the appropriate age for the program by the program start date and be potty-trained. No pull-ups.

Fees: Prices listed are monthly fees in which the first month is paid with this online transaction plus a one-time enrollment fee. The remaining 8 monthly payments are done each month starting on September 15 this fall.

Afternoon Acorns

REC Center - Activity #6653010 (CL)

The afternoon preschool program will be a mix of both 3 and 4 year-olds. This does give the older group the opportunity to learn leadership skills as they help the younger children and set examples for them. Younger children will learn problem-solving skills as they work with the older children. Activities may be similar but developmentally appropriate for your child.

Cup-in-Hand Kickball Tournament [21+]
Tomaso Sports Park - Activity #3052090 (JK)

Huntley's most exciting adult sporting event just got better... as games will be played on Tomaso Sports Park brand new turf fields! Enjoy this classic school yard game with an adult twist. Teams will compete against one another for the crown. Who can kick it the furthest? Who can spill it the least? Who can handle the embarrassment? One thing is for certain: Only one team can be crowned the champions of the 2026 Cup-in-Hand Kickball Tourney.

Enjoy samples from local breweries, fuel up with delicious bites from D.C. Cobb's and get your game face on for some friendly competition! Gather your coed team of 10 players (minimum 4 females). Each rostered player will receive (1) one drink token. A bar will be on site to purchase additional drinks. Kick your game up and get your team registered EARLY as we will only be taking 16 teams! **Outside alcohol not permitted.** You can expect to play at least 3 games with your team.

Snowplow Sam

Canlan Ice Sports - Activity #3753020 (BS)

In Snowplow, kids will learn how to sit and stand up with skates both on and off-ice, march in place, march forwards (8-10 steps), march then glide on two feet, and dip in place. Before their first skating class, we do an equipment check to ensure proper fit and lacing of skates, appropriate attire (Jacket, long pants, gloves/mittens) and safety helmets (bicycle or hockey helmets work!). We also practice falling and recovery and one-foot balances. Skate rental included. *Please note: Parent-child is best suited for those very young or with zero experience (can't stand alone on skates, etc). **Contractual activity provided by Canlan Ice Sports.**

VOLLEYBALL

Volleyball Classes

REC Center, Gymnasium - Activity #3755080 (8S)

VolleyKidz USA (8-10 yr): The lesson plan introduces the pass, set and spike using a very light volleyball. Volleykidz will improve each child's hand/eye coordination and left/right coordination through the use of fun drills and games. Lesson plan also incorporates short educational drills including spelling, math & science.

Jr. VolleyKidz USA (11-14 yr): Improve your volleyball skills with 75 minutes of drills in setting, passing, overhand serving and spiking. The lesson plan directs the use of individual training, pairing drills and game situation development that help each student reach a new level. Instructors organize short games at the end of each class. The lesson plan incorporates leadership and educational components.

Jr. Volley Series Match Play (11-14 yr): Interested in playing volleyball with other volleyball athletes with skills to compete against other park district teams? Then our Volleyball Pro will develop a team and bring parity to the weekly instruction to prepare match-PLAY. Lesson plans will guide the team in weekly 75 minute trainings. At weekly practice, the teams will learn defense and offense positions while also improving their fundamentals of passing, setting, spiking, and overhand serving. **Contractual activity provided by EVP Academies.**

Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - five second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.

Huntley Park District Residents

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

Photos and Video

Photos and video footage are periodically taken by Park District staff and/or contractors, of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

Registration & Waitlists

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as BtB or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

Cancellations & Refunds

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity. After that, refunds can only be given for medical reasons, and may be prorated. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments. The Huntley Park District will not send communication prior to the start of a program. Participants are expected to follow details provided on receipt following registration. Refunds will not be given for those who do not attend their registered programs. Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

Credit Card Service Fees

All credit card service fees will be paid by the customer. These fees will appear during the checkout process at the time of payment.

To avoid paying credit card service fees, customers may choose to pay by cash or check in person at the Huntley Park District REC Center. If you participate in a program or membership type that has regular billing, setting up payment by ACH will also avoid credit card service fees.

Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Scott Crowe, Executive Director, Huntley Park District at (847) 669-5683 or scrowe@huntleyparks.org.

Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants and staff.
2. Refrain from use of foul language.
3. Show respect for equipment and facilities.
4. Dress appropriately for activities.

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

1. The parent/guardian will be informed of the specific behavior. Documentation will be given to the parent and a copy will be kept in the child's file.
2. If the behavior continues, the instructor will inform parents a second time.
3. If there is no change in behavior, your child may be dismissed from the activity. Each situation will be evaluated on its own merit.

Disruptive behavior may be any behavior that causes, or could lead to, personal injury of your child or others. Examples include hitting, kicking, throwing things, defying or running away, or any behavior that disrupts the normal activity climate. Disruptive behavior, in the broad sense, is any behavior that takes an instructor away from the rest of the class for long periods of time. The Huntley Park District reserves the right to remove a participant whose behavior endangers the safety of themselves and others.

Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

Northern Illinois Special Recreation Association

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of the benefits gained from participating in NISRA's year-round activities.

NISRA staff assist Huntley Park District staff with including residents with disabilities in our recreation programs. Call NISRA at (815) 459-0737 with questions about inclusion. Ask for the NISRA brochure at our office or visit NISRA's web site at www.nisra.org.
