Mission Statement

The Huntley Park District is committed to providing accessible parks, programs, open space and facilities for healthy activities, creative expression and learning opportunities in order to enhance the quality of life for district residents and visitors.

Huntley Park District Residents

You are a resident of the Huntley Park District if you pay taxes to the Huntley Park District and reside in our boundaries. A utility bill will constitute proof of residency.

Photos and Video

Photos and video footage are periodically taken of people participating in Park District activities, attending a class or event, or using District facilities or property. Please be aware that by registering for an activity, participating in an activity, attending an event, or using District facilities or property, you authorize the District to use these photos and video footage for promotional purposes in District publications, advertising, marketing materials, brochures, event flyers, social media, and the District's website without additional prior notice or permission and without any compensation to you. All photos and videos are property of the District.

Register Early

Please do not hesitate in registering for activities! Doing so may result in the class you want filling early or being cancelled due to low enrollment. As a general rule, most classes must have the minimum met 7 days before the activity starts. Please register as soon as you can to ensure your class(es) are available for you.

Cancellation of Programs

From time to time activities must be cancelled due to low enrollment, change of availability from instructor, or many other reasons. In the event an activity is cancelled you will receive a full refund of any fees paid.

Waiting List

Many of our activities fill up fast and become full. In certain programs we may be able to add additional people, instructors, or times to fill the need and in other instances we simply can't due to capacity limitations. Being placed on a waiting list is not a guarantee that you will get into any activity. If the activity you are registering for is one out of necessity (such as ET or Day Camp) and you find yourself on the waiting list, we encourage you to seek other arrangements. If you are put on a waiting list you will be contacted only if a spot becomes available.

Refunds/Cancellations

General activity refunds, less a service charge of \$10, will be made if a request is received at least seven days before the start of the activity or next scheduled bill. After that, refunds can only be given for medical reasons, and may be prorated. When the Park District reschedules or cancels an activity due to insufficient registration, full refunds will be given. Refunds will be returned to the original method of payment or the refund may be applied as a household credit for future enrollments.

Other pre-registration fees/deposits for day camp, preschool, ET are non-refundable.

Non-Payment of Fees

Transactions which require future billing such as day camp, preschool, ET, or fitness memberships may incur a \$25 fee for each occurrence if payments are declined, including but not limited to checks, credit cards and debit cards. Participation in current and future activities may be suspended due to insufficient payments so please ensure the payment method you are using is accurate.

For up to date health and safety rules and restrictions for all activities, visit this link.

Huntley Park Foundation

The Huntley Park Foundation distributes funds to support recreational programs and park projects for the Huntley Park District. Generous financial support can buy a beautiful park bench or even a picnic shelter. Dollars are earmarked for specific projects or given to the general foundation fund. The Huntley Parks Foundation is a 501c3 corporation. For additional information please contact Thom Palmer, Executive Director, Huntley Park District at (847) 669-5683 or tpalmer@huntleyparks.org.

Code of Conduct and Participant Discipline

While participating in activities at the Huntley Park District we ask that all customers please follow these guidelines:

1. Show respect to all participants, staff, and volunteers.
2. Participants should follow program rules and take direction from staff.
3. Refrain from using abusive or foul language.
4. Refrain from threatening or causing bodily harm to self, other participants, or staff.
5. Show respect for equipment, supplies and facilities.
6. Not possess any weapons.

The Huntley Park District will use a positive approach regarding discipline. The purpose of discipline is to help a child develop self-control and learn to assume responsibility for his or her own actions. We use positive statements and reinforcements to redirect negative behavior. Should a child need more than that, a "time-out" period may be initiated. We will handle disruptive behavior as follows:

Discipline Procedures:

- First occurrence: Verbal warning
- Second occurrence: Time-out.
- Third occurrence: Loss of Privilege. Conduct Report given. Parent/ guardian notified.

Three Conduct Reports: The Recreation Supervisor will contact a parent or guardian to request a meeting (in person or over the phone as necessary) to discuss disciplinary problems and solutions.

NOTE: Any violent, physical or threatening actions may receive an immediate conduct report and may result in a suspension from the program. The Park District reserves the right to suspend/ dismiss a participant whose behavior endangers the safety of themselves and others, continues to violate program rules (intentionally or unintentionally) and/ or if inappropriate behavior does not stop.

Americans with Disabilities Act

The Huntley Park District continues to update facilities and parks as well as review program procedures to comply with the American with Disabilities Act (ADA) of 1990. Please indicate on the registration form of any special needs that require accommodation. We require a two week notice prior to the start of a program to ensure reasonable accommodations can be made. All participants must be toilet trained unless it is a parent/child class. If diapers or incontinent aids are used, the participant or parent must be able to provide personal care.

Northern Illinois Special Recreation Association

Since 1976, NISRA has provided recreation programs for people with disabilities, and its mission is: enriching the lives of people with disabilities through meaningful recreation experiences. Socializing, building physical skills, learning, relaxation and fun are some of the benefits gained from participating in NISRA's year-round activities.

NISRA staff assist Huntley Park District staff with including residents with disabilities in our recreation programs. Call NISRA at (815) 459-0737 with questions about inclusion. Ask for the NISRA brochure at our office or visit NISRA's web site at www.nisra.org.

General Information

Since 1983, Seedlings Preschool has remained committed to providing children a safe environment in which they develop essential skills that will serve as a cornerstone for lifelong learning. Seedlings Preschool is geared to help children gain confidence through planned activities to enhance their social, emotional and cognitive development. Our developmentally appropriate curriculum encourages learning without stifling their ability to create and investigate. Seven large classrooms are housed in the REC Center, each with its own child-friendly bathroom. To ensure your child's safety, the preschool wing is secured while class is being held.

Miss Connie's Playground is a big hit with the children and is equipped with age appropriate equipment to provide active play for your growing preschoolers. In addition, an indoor play structure and equipment allows children to be active and release some energy even during the winter months.

Prices listed are monthly fees in which the first month is paid plus a one-time registration fee (\$75). The remaining 8 monthly payments are charged on the 15th of each month.

Mixed-Age Preschool

This class will offer all the areas of learning and fun as our regular preschool classes, while allowing students to interact with their younger or older peers in unique ways. Multi-Age Preschool provides older children the opportunity to learn leadership skills as they help the younger children and set examples for them. Younger children will learn problem-solving skills as they work with the older children. Work groups in this class can be smaller as they work on certain skills such as letter activities. (CL)

Staff will be on duty to assist children with common computer issues, but our staff are not school educators or tutors. Groups not to exceed 15 will be formed and staff will provide help to students as needed. Participants should bring their lunch each day (unless you wish to participate in the free lunch program from the school district), and may bring their own morning snack. Snack will be provided in the afternoon. This unique opportunity will allow children to learn safely, explore the parks and playgrounds at the park district, and enjoy other activities when not actively engaged in schoolwork. Children must wear a mask each day and must be Independent Learners. Outdoor activities will allow for mask breaks as much as reasonably possible. Camp will not be held on regularly scheduled school days off. Please see our [website](#) for more information on this program.

Lightning Warning System

Huntley Park District has deployed a new lightning warning system this year at Stingray Bay/Deicke Park, Tomaso Sports Park, and the Public Works Soccer Fields. This system warns of actual lightning strikes within a 10-mile radius of the park. When lightning is detected, you will hear a 15-second blast and strobe lights will begin to flash on the unit at the park. When this occurs, ALL outdoor activities should cease, and all persons should seek shelter in a permanent building or vehicle immediately. Activities may only be resumed once the system has indicated the "all clear" with three - 5 second horn blasts and the strobe lights will stop flashing. There is a minimum period of 30 minutes if the system goes into alarm before it will be all clear.

Rainout Line

The Rainout Line is a platform used to communicate changes in programming due to weather. This is particularly important to outdoor sports programming, Stingray Bay activities, special events, and even Emergency Communications. You can simply search for "Rainout Line" in the app store of your mobile device. Once downloaded you can follow the directions to find Huntley Park District, setup up app alerts, and you can even setup text and/or email alerts to your favorite activities. All sports changes due to weather will be communicated here exclusively.

For those that prefer to call a weather hotline, an updated message is also generated through the system any time a status changes. You can call (847) 580-1275 to hear the current status.

To check out this great new feature please visit the Huntley Park District website and click on the small "weather" icon at the top of the page. Doing this from your mobile phone should prompt your device to download the app.
